Email: [jittex08@gmail.com](mailto:jittex08@gmail.com)

## Objective

To pursue graduate studies in Information Science & Engineering, leading to a career in research. I am interested in problem solving, programming, web-development & mobile app development.

## Education

Education	Board/University	Institution	Aggregate
Bachelor of Engineering in Information Science 2015-Present(expected2020)	VTU	Atria Institute of technology	<b>5.8</b> (CGPA for 6sems)
XII	Karnataka State Pre University Board	Narayana E-techno P U College	58%
X	Karnataka State Secondary Education Board	St Philomena's English High School	69.7%

## Technical Skills:

Programming Language	Java,PHP,JavaScript,Css,Bootstrap, Codeignitor
Mobile App Development	Android application
Database	SQL
Platform	Windows, Fedora
Markup Language	HTML5 ,XML
IDE	Eclipse ,Android Studio

## Personal Skills

- Strong communication skills.
- Good team player.
- Quick Learner

## Activities and Interests

- Attended Networking Workshop where I learnt about IP Addresses, moving and tracing of packets from one pc to another which is done by using a software called "CISCO PACKET TRACER".
- Attended Workshop on OS and Computer hardware where I learnt each and everything about computer hardware.
- Attended Ethical Hacking and Cyber law workshop by "HACKETHON" which helped me to pursue my interest in Networking and Coding domain.

## Projects Done:

### I.Project: Database Management System

<b>Project</b>	<b>University Result Management System</b>
<b>Client</b>	<b>Students, Teachers And Admin</b>
<b>Role</b>	<b>Developer</b>
<b>Duration</b>	<b>November 2018-January 2019</b>
<b>technologies</b>	<b>JavaScript, HTML,CSS</b>
<b>Used Tools</b>	<b>Eclipse IDE</b>
<b>Source</b>	<b>Stack Overflow, Google</b>

## Project Description:

University Result Management System is an application which will greatly simplify and speed up the result preparation and management process.

A Project report on Student management system. faculty, category and for examination, block allocation, subject management , scheduling exam, result. This is a computerized examinations results management system for tertiary student's examination records. The main aim of the project is to provide the examination result to the student in a simple and accurate way. Project Report On Student Result Management System. The application will manage the information about various students enrolled in this course in different years, the marks obtained by the various students in various subjects in different semesters

It consists of following features.

- Writing data in Binary file.
- Reading data from Binary file.
- Updating data in a file.
- Deletion of records in a file.

### 2. Trade Management System: Using File Structures

Technologies: C++

Used Tools: DevC++,TurboC++

### 3. Simple Calculator: Using Android Studio

Technologies: Java

Used Tools: Android Studio IDE

## Certificate And Awards:

- CCNA workshop for networking and communication.
- CIA Hackathon.
- Jetking workshop for ethical hacking.

## Experience: Fresher

**Current Position:** Intern in Intellohire Technologies Pvt Ltd(Full Stack Web Developer)

### Personal Details:

Father's name	Bharat Sharma
Mother's name	Geeta Sharma
Date of birth	08 June 1997
Nationality	Indian
Languages known	Kannada, English, Telugu, Hindi and Tamil.
Place	Bengaluru
