## / ALL ABOUT ME

I have been working as Software engineer/web development since 2019, the period during which I have worked in different environments, Helped me building my knowledge towards the Technical approach for finding more efficient and reliable solution. I am a self-motivated and self-taught professional who likes to solve problems.

I merge a passion for usability and user experience with technical knowledge to create cool digital experiences. My repertoire includes programming languages and tools such as Angular Framework, DotNet Framwork, ReactNative, AngularJS, MySQL, JIRA, Nginx, Postman and Apache server configuration. IONIC, JavaScript, HTML, CSS, Bootstrap, jQuery, and more

I also have a good skill in Graphic Design as it is my hobby as well as my passion. I acquired basic and advance level of knowledge on some of the Adobe Tools such as Adobe Photoshop, Adobe illustrator, Adobe Light room, Adobe After Effects, Adobe Premier Pro, Adobe Xd (for wire frame).
