## About Me

I'm a 27 years old front end developer from rajkot (Gujrat) currently based in Bangalore. I love everything that has to do with Web design & development, Graphic design, web development, mobile app design and development.

I have 4 years of experience working as a IT consultant in ITC Infotech. I love working with people, specially if they have the same passion I have for what they do. And i am always seeking an opportunity to work in challenging environment, learn new skills and enhance the same for companies growth and development.
