WORK EXPERIENCE

FrontEnd Developer Intern
ConfirmTkt
12/2019 - 06/2020   *Bangalore, India*
Confirmtkt is a fastest growing travel ticket search engine for providing seamless ticket discovery and booking experience. The travel search is backed by a unique and efficient algorithm which figures out the best possible options across trains & buses to reach your destination

Tasks
- My main work was to create responsive components for their website using ReactJs.
- I also wrote some script in NodeJs for the purpose of data analysis.
- Also worked on their support website.

Full Stack Engineer Intern
Vidyalai
07/2020 - 2020   *Chennai, Tamil Nadu*
Vidyalai is an online learning platform which aims to revolutionize education in India by making quality education accessible and affordable.

SKILLS

JavaScript   ReactJs   Core Java   MongoDB

GIT   NodeJs

PERSONAL PROJECTS

Movie Recommendation System (09/2019 - 10/2019)
- Based on KNN Algorithm.

Scuffle (08/2020 - 2020)
- Developing a number game using ReactJs, where player has to shuffle the numbers in the right order.

Blisky (08/2020 - 2020)
- Blisky is a customized ERP Software which I am building for a client. My main work in this project is to create the FrontEnd using ReactJs.

ACHIEVEMENTS

Got selected for the 3rd phase(Final phase) of the Indian road safety campaign hackathon organized by IIT-Guwahati and conducted by IIT-Delhi in 2019.
