WORK EXPERIENCE

September 2019 - Current	**ISKON, Bangalore**
	ISKCON Sri Radha Krishna Temple is recognized as one of the famous places to visit in *Bangalore*. I have joined the ISKCON IT through **IQHired Consultancy Private Limited**. I have been working on building web application using **Angular 8** and **Codeigniter** Framework. I have been worked on **REST API** Development. I have also attended **Data Analytics & Python Training Program** held by ISKCON IT.
February 2016 - September 2019	**Triwits Technologies, Vijayapura**
	Triwits delivers IT Services like E-Commerce Development and Maintenance, SAAS, Web, Mobile and offline application development Services.
	Initially I have involved in image & text related web scrapping using various tools in **Spider** the PHP framework. Later I started working on Web Development projects using MVC framework **Codeigniter** & **MySQL**. I have also worked on integrating **Third Party APIs** for Social Media Login, Social Media Sharing, Chat Bot, Sending Bulk SMS, Data Visualization & Voice Process.
